

Together: *Building Better Tomorrows*

At Freddie Mac, we believe where there's opportunity...there's hope. That's why we're dedicated to increasing housing opportunities. And through our philanthropy, we invest in programs that strengthen families and communities. As the region's largest corporate giver, Freddie Mac and the Freddie Mac Foundation want to thank the local nonprofits we've supported during 2007. Their extraordinary efforts are building better tomorrows for children and families throughout our community.
